The above medical criteria will determine what educational model Pacific Union School District will use for instruction. The following safety protocols must also be in place before students may return to in-person instruction.

- Each classroom equipped with:
 - Appropriate PPE
 - 1 spray bottle of sanitizer/disinfectant for use on high touch surfaces
 - Facial covering (mask and/or shield) for each adult
 - Soap, paper towels, and hand sanitizer
- Health Screening (Qualtrics App):
 - Qualtrics App or Email
 - Must be completed before student arrives on campus
 - Please be forthcoming with responses
 - If anything changes, notify the school office immediately
- Campus Environment
 - Limit personal items brought on campus
 - Signage for Social Distancing and Hand Washing
 - Cleaning schedule for classrooms and bathrooms
 - Bathrooms and high frequency touchpoints every 75 minutes
 - Classrooms between cohorts and evenings
- At least 50% or more of the student body committed to in-person instruction
